- g. Voting for the "Most Popular Developer Award", select 3 projects other than your project, and the voting method will be announced offline.

6. Online demonstration project:

- a. Demo Day demonstration materials must be presented on the computer of OneBlock staff. Videos within 6 minutes before January 11th, the language can be Chinese or English, including PowerPoint and Demo presentations. Send the video to Oneblock's official email: oneblock.dev@gmail.com, and the folder must be marked with the project name.
- b. The recorded video will be played live for the first 6 minutes (please mute the sound during this period), followed by a Q&A session for the next 6 minutes (please turn on the microphone to answer questions or add project content during this period).
- c. Join the Demo Day Zoom meeting 30 minutes in advance:
<https://us02web.zoom.us/j/89668681269?pwd=cUcrbHkrclBpaWZqZ0VyclRZZ0ZDZz09>, meeting number: 896 6868 1269, password: 352803. Please modify the name immediately after entering the meeting: project name-name.
- d. One or more people must join the meeting in advance and wait for the judges to ask questions and answer them after the demonstration video is played. Please ensure the network is stable and smooth on the day, otherwise it will affect your defense.
- e. Vote for the "Most Favorite Developer Award" and select 3 projects other than your project. Immediately after DemoDay ends, send them to @Tracy. Those who do not submit will be deemed to have automatically given up their quota.
- f. Demo Day Youtube live: https://youtube.com/live/_6uUkel99yQ?feature=share

Statement: For projects that exceed the time limit or resubmit demo materials after the specified time, ⚠ please be sure to inform the project group@Tracy. If the demo materials are not the latest content due to failure to notify in time and affect the review results, the organizer is not responsible.
